

Dear Parents,

Attached are the dress code requirements for Elementary school students. Following the dress code is mandatory.

All students in Kindergarten and above are expected to wear the school uniform every day. Any combination of the uniform choices listed below can be worn. A white uniform shirt and blue pants/skirt are required for Rosh Chodesh and special events. Please make sure to purchase at least one set for those days.

Shirts and sweaters are required to have the school logo. You can buy the pre-embroidered shirts from Aventura Kids or Clothes N Bows, or you can purchase your own shirts and bring them to either location to have the logo embroidered. Appropriate pants, shorts and skirts can also be purchased at these locations.
